Briefly explain:

Personal Statement (attach separate sheet)

Your life experiences help shape who you are.

Please tell us:

- What challenges you have faced as a result of parental or caregiver addiction.
- How those experiences have influenced your goals.
- Examples of your resilience, determination, or personal growth.
- How this scholarship will help you achieve your future plans.

Applicants are encouraged to share only what they are comfortable sharing. We understand that AI is a tool that can support brainstorming or help you edit, but as our main goal is to understand more about you and your situation, we ask you to disclose AI use. There is no penalty for using AI and we encourage you to use all available tools responsibly.
